2024 TRASH SCULPTURE COMPETITION!

School and County Trash Sculpture Contest Date:

Tuesday, December 10, 2024

The School and County Contest will be held at the Caldwell County Extension Office. Please **DO NOT** take projects to the school. (They may not be judged.) Projects need to be delivered to the Extension Office between the hours of 8:00 a.m. till 12:00 ~~p.m.~~ Tuesday, Dec. 10.

HERE ARE JUST A FEW FACTS TO THINK ABOUT BEFORE YOU TOSS YOUR NEXT PIECE OF TRASH!

- * You can make 20 cans out of recycled material with the same amount of energy it takes to make one new one.
- * In this decade, it is projected that Americans will throw away over 1 million tons of aluminum cans and foil, more than 11 million tons of glass bottles and jars, over 4 and a half million tons of office paper and nearly 10 million tons of newspaper. Almost all of this material could be recycled.
- * Approximately 1 billion trees worth of paper are thrown away every year in the U.S.
- * A glass bottle would take more than 4,000 years or more to decompose – and even longer if it's in a landfill.

Please deliver completed projects to the Extension Office by noon on Tuesday, December 10:

**Caldwell County Extension Service
1025 U.S. Highway 62 W.
Princeton, KY 42445**

ENTRY FORM
(Attach to Sculpture)

Division-(Circle one) Lower Elem. (K-2) Upper Elem. (3-5)

Middle School (6-8) High School (9-12)
